# WHO ARE THE JEWS?

## INTRODUCTION

One of the most baffling questions facing Christendom in the 20th Century revolves around the people we know as Jews. Who are they? Are they the Chosen People of the Bible, the seed of Abraham, to whom God gave the promise of Genesis 12-3 "I will bless them that bless thee, and curse him that curseth thee?" Or are they a heathen, satanic people who have been a "thorn in the flesh" of true Israel for centuries and who have a world plan for the destruction of Christianity?

Much of importance revolves around the proper answer to this question. The fundamentalist and evangelical Christian world, for the most part teach that the present day people who call themselves Jews are indeed the offspring of Abraham, "the friend of God," and that to receive the blessings of God, Christians must help them in every way possible, even when they appear as the Apostle Paul stated in 1 Thessalonians 2:15, to be the murderers of their own prophets, persecutors of Christians, who "please not God and are contrary to all men."

Hand in hand with this problem, comes an even more complex one. "Was Jesus of Nazareth, the Virgin born Son of God, the Savior of the world - a Jew?" Most Christian pastors and Bible scholars say "Yes". But this does not make it so! The Jews themselves have a variety of opinions. Their religious book, the **BABYLONIAN TALMUD,** recognizes Jesus and calls Him, "the son of Pandria, a Roman solider," **(SANHEDRIN**, 67a). The book **KALLAH,** lb, 18b) states: "Jesus was the illegitimate child of a Jewish prostitute and was conceived during menstruation."

Another passage in the **SANHEDRIN** (103) suggests that Jesus corrupted the morals of the Judahite people and in par. 107, of this same book, it states: "Jesus corrupted and deceived and destroyed Israel."

Yet Michael Rodkinson, a Jew, in his book **HISTORY OF THE TALMUD,** states on page 70 - "The **TALMUD** is the source from whence Jesus of Nazareth drew the teachings which enabled him to revolutionize the world".

Stimulated by this Jewish statement, every Christian, especially every pastor and Bible scholar, should take time to investigate whether this statement is true. Did Jesus Christ derive his teachings from the heathen, occult book known as the **TALMUD?**

In his recent book, **JESUS WAS A JEW!,** Arthur Fruchenbaum attempts to answer these questions: "Who was Jesus of Nazareth? Was he a good teacher? Was he a well-meaning but confused religionist? Was he the disciple of another teacher? Regardless of how you answer these questions, **JESUS WAS A JEW!"** (UNQ.)

In the introduction to his book, Fruchtenbaum says: "The personality of Jesus of Nazareth stands as an enigma in Jewish history. Hailed by millions as a Savior and giver of life, his name has been used to condemn the Jews and an excuse to take Jewish lives."

Another Jewish group stated in a pamphlet titled **SANTA CLAUS, THE EASTER BUNNY,** and **JESUS!** written by a Jewish Rabbi from Florida: After mentioning the Christian myths of Santa Claus and the Easter Bunny, he states: "Then comes the hoax of all Christian hoaxes. The story of Jesus.

"The truth of the matter is that there is no historical proof that Jesus ever existed. There is no piece of physical evidence on earth today that can prove that he existed.

"No man knows where he was born; how he looked; when he died; or even where he was buried.

"Just like the story of Santa Claus and the Easter Bunny, the story of Jesus is another foolish Christian myth." (UNQ.)

In another article, written by a one-time Christian woman who had converted to Judaism, she says:

"To be a completed Jew one must first rid himself of all the pagan and idolatrous teachings of Christianity and rise to a higher level of holiness to believe in the one true God.

"The turning point in my life came when my husband and I were invited to celebrate the Jewish Sabbath with an orthodox rabbi. We were startled, because we felt God's presence there.

"After studying under this Rabbi and others and learning the true way of the Lord, I had no trouble abandoning the life of deception I had led until now.

"The day of my conversion to Judaism, I learned the true meaning of being 'born again.' Yes, I have been 'born again' as a Jew.

"Since that day, my husband and I have turned our ministry to exposing the myths of Christianity... the lies, the hatred, and the hypocrisy of its preachers." (UNO.)

Another Jewish Rabbi, from his headquarters in Ft. Lauderdale, Florida writes:

"Christian scholars are coming close to discovering the truth that the New Testament was the greatest book of fiction ever written. Already they have found definite proof that there was no such thing as a 'Virgin Birth', and a 'resurrection.' They are catching up with the proven facts of history, that Jesus never existed.

"Furthermore, Christian Bible scholars have definite proof, that if Jesus Christ had actually existed, he would have been a homosexual, since the traditional Jewish custom was for men to be married by the time they were eighteen. In addition, according to the Christian fairy tale of the New Testament, he never dated, he never had any girl friends, and he ran around with a group of known homosexual friends." (This so-called evidence comes from the pen of a Jewish writer named Phineas Lapide. I wonder what Bible he read.) - ED.

After writing some scurrilous tracts about Christians, this Florida Rabbi wrote:

"Let me assure you that I did write them and am quite proud of them ... I have been able to get some good local newspaper publicity by calling local newspapers and telling them that some Jews have left these at my church and that they were written by a local Rabbi. They fell for this hook, line and sinker, and I became a local martyr.

"In my tract about Communism I showed how the leading Communist agitators today are Christians, and how the New Testament is even more **RED** than the Communist Manifesto! I also pointed out, as a matter of history, that the first Bolshevik, and Communist revolutionaries described Jesus as their teacher and named him the **GREAT COMMUNIST."** (UNQ.)

These statements are indeed interesting when one compares them with other statements made by eminent Jewish authorities concerning the Communist Revolution.

In the January 1928 issue of **CENTURY MAGAZINE,** the eminent Jewish author Marcus Eli Ravage said: "We Jews are at the bottom of nearly all your wars; not only of the Russians but of all the other major revolutions in your history... We did it with the irresistible might of our spirit, with ideas and propaganda."

When Rabbi Stephen Wise, the top Rabbi in the U.S. in 1918 was asked about the Russian Revolution, he was asked his opinion of the Communist Revolution, he was reported to have said: "Some may call it Communism; but I call it Judaism!"

When I have tried to uncover the truth regarding the Jews and who Jesus really was, I have been met with "scorn and derision" on the part of Christian leaders and Bible scholars, and outright hatred on the part of the Jews. Here is a typical letter I received in April 1985, after I had published a tract titled: **"EXPLODING THE CHOSEN PEOPLE MYTH!"** It was hand-printed on a restaurant paper napkin. It will give you a faint idea of how the Jews hate anyone with "guts" enough to expose them.

"You dog, snake, wolf, dragon - you antichrist. Cursed be your soul and that of your followers. An ass has more understanding than you. May the spirit of disease be upon you as you read these words - **MECHNASES** - the spirit of death enter into you. May your eyes be blind, and your flesh melt in the flames of hell's fire. May your wife turn into a frog; your daughter into a dog, and your son into a hog. **DIE, YOU DEVIL!"** The signature was in Yiddish.

So as we seek the truth about the true ancestry of Jesus Christ, our Savior and King, we must of necessity first determine who the Jews really are and where they came from. We will use both the Bible and history in our search for the truth.

# THE ORIGINS OF THE JEWS

## Was Abraham a Jew?

It has often been stated from the pulpits of Christian churches, that Abraham was the first Jew. The Bible, however, never calls Abraham by that term and for a good reason. The word **JEW** is merely the modern English contraction for the word **JUDAHITE** or **JUDEAN**. Thus the question is not really whether Abraham was a Jew or not; but rather **WAS ABRAHAM A JUDAHITE!** That is, was Abraham of the tribe of Judah? Obviously he could not be, since he preceded the tribe of Judah by three generations.

Abraham was a Semite (that is a descendant of Shem), and he was also a Hebrew (a descendant of Eber or Heber). But to say that he was a **JUDAHITE** is to say that he descended from his own great-grandson! Which is impossible!

The descendants of Judah (Hebrew **YEHUDAH**) were known as **YEHUDIM,** which merely means **JUDAHITE**. The New Testament, which was written in Greek, uses the term **IOUDAII,** which again translated out to mean **JUDEAN.**

It becomes somewhat confusing, when almost all the modern Bible translations use the term **JEW** instead of JUDAHITE. But once you learn to place the word **JUDAHITE OR JUDEAN,** where the word **JEW** is found, then the clear distinctions between Hebrews, Israelites and Jews will become clarified.

The Bible uses the term **JUDAHITE** in three distinct ways:

1) One who is of the tribe of Judah in a racial sense;

2) One who is a citizen of the southern nation of Judah, including the Tribes of Benjamin and most of the Tribe of Levi; it will even include Canaanites and Edomites who are citizens of Judah; and,

3) One who is a follower of the religion of **JUDAH** as given by Moses and the prophets. (This usage is found in Esther 8:17 and Romans 2:28, 29).

# THE EDOMITE CONNECTION

## (Genesis 36:19)

The nation of Judah, comprising the tribes of Judah, Benjamin, and Levi, were conquered and deported to Babylon about 600 years before the birth of Christ. After a 70-year captivity, less than 50,000 returned to rebuild Jerusalem under Ezra and Nehemiah. Both of these **JUDAHITE** leaders

had a difficult time keeping the **JUDAHITES** from inter-marrying with the heathen who had settled in Palestine after their deportation. These godly men had tried to institute reforms to cleanse both the people and the priests from these unlawful marriage relationships. (Ezra 2:62; 9:1, 2; Nehemiah 7:64; 12:23-30.)

About 150 years later, when Alexander the Great conquered the known world and set up his Greek Empire, the Greek language became dominant in the world and it was not long before the Hebrew word **YEHUDAH** (Judahite) was replaced by the Greek word **IOUDAIOI**, which also meant **JUDEAN.** This is why the New Testament, which was written in Greek speaks of **JUDAHITES,** instead of Jews, since both words have the same meaning.

Between the time of Nehemiah and Christ, the problem with inter-marriage increased. The climax of the problem came about **150 B.C.,** when the **JUDEAN,** John Hyrcanus, conquered the heathen cities of Palestine and forced the Canaan ites to become **JUDEANS** (Jews). Josephus, the Judean historian, writing about 95 A.D. said:

"Hyrcanus took also Dora and Marissa, cities of Idume (Edom) and subdued all the Idumeans (Edomites); and permitted them to stay in that country, if they would be circumcised and make use of the laws of the Judeans; they were so desirous of living in the country of their forefathers, that they submitted to the use of circumcision, and the rest of the Judean ways of living; at which time - - . they were hereafter no other than Judeans." (**ANTIQUITY OF THE JEWS,** Book 13, Ch. 9, Par. 1).

A footnote in Josephus' book quotes from Ammonius, an ancient grammarian who said: "The Judeans were such by nature from the beginning, whilst the Idumeans were not Judeans from the beginning, but Phonecians and Syrians; by being subdued by the Judeans and compelled to be circumcised, and to unite into one nation, they were subject to the same laws and became known as Judeans."

This all took place before the time of Christ. It becomes obvious, then that by the time of Christ, there were a great host of people living in Palestine who were Canaanites and Edomites by race, although Judeans (Jews) by religion. Even the ruling dynasty of the Herod's were Edomites and Herod the Great, was an ldumean, that is a "half-Jew," (mongrel).

The **JEWISH ENCYCLOPEDIA**, 1925 edition, Vol.5, p.41, states: "Edom is in modern Jewry."

The Esau-Edomite nation of Idumea ceased to exist as a separate nation at this point in history. Yet the Bible is clear that Edom will be the enemy of Israel in the latter days. (See Malachi 1:2-4). How could these prophesies be fulfilled, if there were no Edomites left in the world? There is only one nation in the world today which can prove ancestral ties with Edom and the so-called Jews themselves claim this dubious distinction.

The Jews have adopted the materialistic anti-God attitude that characterized the father of the Edomites, Esau. As a judgment for their sins, including the murder of God's Son, Jesus Christ, God cast them out of Palestine in 70 A.D. when the Roman General Titus destroyed Jerusalem. The **JUDEANS** (Jews) fled to North Africa and Spain. We find this account in **THE AMERICAN PEOPLE'S ENCYCLOPEDIA,** 1954, p.15-492, under the heading **THE JEWS.**

"Following their dispersal many spread across North Africa to Spain and during this movement converted many Berber tribes to Judaism. (It might be well here, to recall the word of Jesus to the Pharisees in Matthew 23:15, when He said to the scribes and Pharisees: ". . . ye compass (go over) sea and land to make one proselyte (convert), and when he is made, ye make him two-fold a child of hell than yourselves."

(Maybe this is why the North Africans had such a hatred for the Christian Spaniards) That portion which moved into Spain and later northward became quite wealthy and gained considerable prestige. (Yes, indeed, several Cardinals of the Catholic Church and several Popes were Jews.) These became known as **SEPHARDIM JEWS.**

Today, there are two main branches of these people we call Jews. The Sephardim Jews of Western Europe and the Ash ken azi Jews of Eastern Europe. In all honesty, we can say that modern **SEPHARDIM** Jewry is a mixture of Judean blood with that of Edom, Syria, Canaan, Phonecia and North Africa.

## THE ASHKENAZIM

If one studies the origins of this branch of European world Jewry, we must allow historians to tell us the story. The history of this branch of Jewry is almost unknown in the Christian world, although there are more than 320 books in the New York library alone, which deal with this history - in addition to the **JEWISH ENCYCLOPEDIA.**

In the year 740 A.D. the Khazar kingdom in Eastern Europe officially converted to **JUDAISM.** A century later, they were crushed by the incoming Slavic people and were scattered over Central Europe where they became known as Jews. It is from this group that most of the German and Polish Jews came and they make up the predominance of Jewish people found in America. The term Ashkenazim is applied to this round-headed, dark-complected division of Jewry. (From **THE AMERICAN PEOPLE'S ENCYCLOPEDIA,** p.15-492).

In the early 1960's the Sephardim numbered about 500,000, while the Ashkenazim totaled over 12-million. Thus, the word Jew, is practically synonymous with Ashkenazim, according to Arthur Kosetler in his book **THE THIRTEENTH TRIBE,** p.181.

That the Khazars are lineal ancestors of Eastern European Jewry is a historical fact, even though many Christian ministers and Bible scholars refuse to accept this fact.

The Kazars or "Chazars" as they are sometimes called, were of Turkish origin and their history from the very beginning is woven into the history of the Jews of Russia. **(JEWISH ENCYCLOPEDIA,** 3rd Edition, 1925.)

Who were the Khazars and from whence did they come? Again we will let Jewish historians from the **NEW JEWISH ENCYCLOPEDIA,** 1962, answer this.

They were a Mongolian people who embraced Judaism and flourished from the 8th through the 10th century A.D. in the territory extending between the Don and Volga Rivers, and along the shores of the Black, Caspian, and Azov Seas. The Jewish statesman Hasdai ibn Shaprut of Cordoba, in the 10th century, wrote a letter to King Joseph of the Khazars, in which he gave a detailed account of this conversion.

For the sake of interest, it should be mentioned that the Ashkenaz of the Bible refers to a people living somewhere in the vicinity of Mt. Ararat and Armenia. The name occurs in Genesis 10:3 and 1 Chronicles 1:6, as one of the sons of Gomer, who was the son of Japheth. Ashkenaz was also the brother of Togarmah and a nephew of Magog, whom the Khazars claimed as their ancestor.

Strictly speaking, these Ashkenaz Jews are misnamed, since their ancestor was not Ash kenaz, but his brother. This makes little difference, as long as we recognize that at least 90% of world Jewry comes from this background and is of Togarmah rather than Israel.

## GOG AND MAGOG IN MODERN JEWRY

As Arthur Koestler pointed out, Togarmah was a nephew of Magog and here is where the plot begins to thicken, since students of Bible prophecy will recognize this name as an enemy of Israel in Ezekiel 38 and 39. The identification of Gog and Magog with the Jewish Khazars is found on page 135 of Koestler's book, he states:

"The legend which circulated among Western Jews in the Middle Ages provided a curious parallel to the Russian 'bylinda'. To quote Poliaj again: 'The popular Jewish legend does not remember a Khazar kingdom but a kingdom of **RED** Jews.'

When the Khazar kingdom was finally destroyed by the Russians from the north, the Ashkenazim Jews began to disperse in-to what is now called Germany and Poland, as well as other Eastern lands. They continued to multiply until today they are the most populous branch of world Jewry by far.

The destruction of the Khazar empire and the dispersion of these Eastern Jews, brought them into contact with their fellow Judists from the West, the Sephardim. Together, they continued their anti-Christian activity, mainly through their practice of usury, until finally the Christian nations of Europe (who were the true Israelite people) began to banish them.

As they left these countries, they took their usurious practices with them and the European Renaissance began. Koestler quotes Cecil Roth, a Jewish historian, as writing: "In a sense, the Jewish Dark Ages may be said to be the beginning of the Renaissance," (p.178). Thus, we see the blessing of God fall on these Christian nations, as they expelled His enemies of Edom, Gog and Magog. These nations were blessed, not cursed, as our pastors said they would be.

However, the tide began to turn when these Khazar-Jews of Gog and Magog finally succeeded in overthrowing the Russians in what became known as the Communist Revolution. This was carried out with the help of the great Jewish banking houses in Western Europe and America. The Jewish banker, Jacob Schiff, from New York, gave over $20-million dollars to make this revolution a success and many of the communist leaders came from a group of Jews from the lower East side in New York City, who were exported to Russia with Leon Trotsky for that very purpose.

Thus, we see the rise of Togarmah, Ashkenaz, Gog, Magog, Meshech (the ancient name of Moscow), Gomer, and Tubal (the ancient name of Tublosk) as prophesied in Ezekiel 38 and 39. Today prophecy is unfolding before our eyes, yet most Christians fail to understand it, because they fail to see who the Jews really are and what their place is in God's final plans for this age. As long as the racial origin of the Jews remain hidden from the Christian world, so long will we fail to understand Bible prophesy.

The Soviet Khazar-Jews of Gog, Magog, and Togarmah have already invaded Palestine and stolen it from the Arabs, just as Ezekiel promised. Every one of the Israeli leaders from the start have been Ashkenazim Jews. The Arabs for the most part, understand that the vast majority of Jews entering Palestine are from this heathen source and have absolutely no claim to this land. They have difficulty understanding why American Christians are supporting these anti-Christs. The Khazars have been the traditional enemies of the Arab people since the Middle Ages, and they recognize the true nature of this Ashkenazim invasion.

The Jews who now control the Soviet government have tried to cover their historic tracks in order to prevent Christians in the West from stopping support for Jewish Zionism. They know, that without the support of Christians, their entire bandit venture would soon collapse. So they have taken great pains to convince the Christian West that the Soviet Union is no longer controlled by Jews, after they ruled for a few years. This is not the case however. In spite of the Jewish demonstrations we see in Moscow, emphasizing the plight of the "downtrodden Jews", so that the government would be "forced" into allowing Jews to leave Russia, is it not strange that similar demonstrations by Christians have never been mentioned in the Jew controlled press of America? Does it not seem strange to you that Christians are very seldom allowed to leave? Is it not strange that Jews are the only class in Russia who are privileged enough to leave at all? Does it not seem strange that the only class of millionaires in the Soviet Union, is found among the Jewish community who live in luxury in the Black Sea resort areas? As of 1983 twenty out of the top twenty-three members of the ruling Politburo were Jews, with Jews holding down every top position in the Soviet military and National Police Force. But this persecution of the "lesser brethren", as they are called in the **PROTOCOLS,** their plans are clearly spelled out in the Zionist blueprint for world control. This can be seen in historical action, when in 1948, two ships loaded with Jewish refugees were sunk with the loss of all lives. The British government was blamed by the Zionists, until years later it was discovered the ships had been sunk by **MOSSAD** action. Today,

all over the world, and in the United States in particular, Jews are terrorized by the strong arm boys of the Jewish **MOSSAD** and the **JEWISH DEFENSE LEAGUE,** which was formed, not to protect Jews from anti-Semitism, but to keep Jews in line with Zionist aims.

For documentation with names, places, dates, and pictures of Communist Jews who took over in Russia, see the book **BEHIND COMMUNISM**, by Frank Britton. This is one of the books which has been banned by the Canadian Government as "hate literature."

Yet, in spite of all the Jewish cries to the contrary, top Jewish leaders, from the beginning, have bragged about the Jewish influence that made the Communist Revolution a success. On September 10, 1920, the following excerpt appeared in **THE AMERICAN HEBREW**, the most influential Jewish newspaper in America:

"The Bolshevik Revolution in Russia was the work of Jewish brains, of Jewish dissatisfaction, of Jewish planning, whose goal was to create a new world order. What happened in Russia, shall also, through the same Jewish mental and physical forces, become a reality over all the world." (UNQ.)

The Maccabean, the leading Jewish organ in New York, as far back as 1905 stated that the Russian Jews were planning a "Jewish revolution" in Russia and in 1917, a M. Hermalin, from New York City said: "The Russian Revolution was made by Jews. We have created secret societies and planned the Reign of Terror. The Revolution succeeded because of our convincing propaganda, and our mass assassinations in order to form a government which is truly ours." (UNQ.)

When a Christian wonders why Jewish leaders would be willing to sacrifice thousands of their own people to accomplish their goal of world domination, they should read Article II, par. 5, of their **PROTOCOL,** written prior to 1900, it says:

"Through the Press we have gained the power to influence, while remaining ourselves in the shade; thanks to the Press, we have the gold of the world in our hands and notwithstanding that we have had to gather it out of oceans of tears and blood. But it has paid us, though we have sacrificed many of our~ own people. Every victim on our side is worth, in the sight of God, a thousand goyim (non-Jew animal)."

## THE STRUGGLE FOR THE BIRTHRIGHT!

What is it today, that the Jews seek to hide from Christians? This question goes much deeper than the Jewish identification with Edom. The implication goes back to the history of the feud between Jacob and Esau over the birthright, and who the Chosen People of God really are.

As most of you will remember, Jacob and Esau were the twin sons of Isaac, who had been named Israel by God. In Genesis 25, we are told that the two boys struggled in their mother's womb, even before they v"ere born. (Gen. 25:22). Esau, being the firstborn, was supposed to have received the "birthright" blessings. However, God rejected Esau even before he was born. Romans 9:11 tells us: "(For the children being not yet born, neither having done any good or evil, that the purpose of God according to election might stand, not of works, but of Him that calleth;) It was said of her, (Rebecca) the elder shall serve the younger. As it is written, Jacob have I (God) loved, but Esau have I hated."

Because of his love for material things, Esau sold his birthright to his brother Jacob for a mess of "red beans and rice," as we would say down south. (Gen. 25:29-34.)

Esau became angry over this turn of events - angry at his father Isaac and Jacob's God (Jesus Christ) and from that point in history to the present, Esau has struggled to regain this lost birthright. The "children of Esau" want more than anything else to be regarded as the "Chosen People", and if God will not choose them and bless them, then they will choose themselves. They have done a good job of selling this fictitious position to most of the Christian world. (Read Malachi 1:2-4).

Revelation 16-18 tells us about a "great whore that sitteth upon many waters". This is a picture of the False Bride of Jesus Christ, who even now is trying to usurp the rulership of this world - the

inheritance that Jacob received that day when his brother sold his birthright for a bowl of soup. If you notice, this woman rides on the **RED** beast of **RED** communism. She is said to be drunken with the blood of saints. This beast has been said to have seven heads, which are said to be seven mountains. It is interesting to note, that though many Christian Bible scholars try and make this whore out to be the Roman Catholic church, and use as their argument that Rome sits on seven hills, Moscow is also built on seven hills. This woman is that great city that ruleth over the kings of the earth. While the Catholic church has a lot of power in this world, she does not rule over all the world, as International Zionism now does. They control every important country in the world, Communist and non-Communist, through their International Banking system of Babylonian usury.

This city spoken of in Revelation is the counterfeit, "New Jerusalem", which God was to set up at the end of time to rule all nations. The Edomite Jews have set up this false city in order to fool Christians into thinking that they (the Jews) are God's chosen people, the holders of the birthright of Abraham. They have done this through careful planning, by calling themselves Judeans, and their plans of world Zionism. They are the Jews our risen Savior spoke about in Revelation 2:9; 3:9 when He said: "Those which call themselves Jews (**JUDEANS**) and are not, but are of the Synagogue of Satan." (When was the last time you heard your pastor preach on this text? Probably never.)

They have succeeded in gaining a great deal of support from "brainwashed" Christians, who have been deceived as to their true history.

Thus, we can see the tremendous importance of discovering the true origin of these people we call **JEWS**. If Christians had known that modern day **JEWS** were of Edom, Gog, Magog and Togarmah, they would never have been tricked into supporting the antichrist and beasts described in the book of Revelation. But as the Apostle so clearly showed in 2 Thessalonians 2:10 and 11, because they refuse to accept the truth, "for this cause, God did send them a strong delusion, that they should believe a lie. That they might all be damned (judged) who believe not the truth, and have pleasure in unrighteousness." My how that describes modern, pleasure loving church members.

## JEWISH ZIONISM PROPHESIED IN THE BIBLE

Jesus told a parable in Luke 10 of "a certain nobleman" who was to leave and return. (Of course we know he was referring to His going to heaven and later returning). He gave his **SERVANTS** money with instructions to increase it in His absence. Verse 14, however, tells of another class of people who were not His servants: "But His **CITIZENS** hated Him and sent a message after Him, saying, we will not have this man to reign over us."

These **CITIZENS,** were the **JEWS** of Christ's day. They were citizens of the remains of Christ's Kingdom on earth. At the return of the nobleman (Christ), He gave each servant what he deserved. However, verse 27 says: "But those mine enemies, which would not that I reign over them, **BRING HITHER,** and slay them before me." In other words, bring them back to Jerusalem and execute them! It was necessary that they be brought back to the place where they had committed their crime, in order that they could be judged legally and properly. We have similar laws on our law books, where the criminal must be tried in the county were the crime was committed. So we can see that Jesus was actually prophesying the Jews return to Palestine - **NOT** to inherit the kingdom, as they desire, but to be judged for their refusal to let Christ rule over them. Remember what Jesus said to the Pharisees in Matthew 21:42 and 43 - "Jesus saith unto them (Pharisees), did ye never read in the scriptures, the stone which the builders rejected, the same is become the head of the corner, this is the Lord's doing, and it is marvelous in our eyes? Therefore, I say unto you, the kingdom of God shall be taken from you (because they would allow Him to rule over them), and given to a nation (notice, not a "church" but a nation) bringing forth the fruits thereof."

In Malachi chapter one, the prophet reveals the activities of the Edomites in the latter days in reference to their false Zionism:

1) The burden of the word of the Lord to ISRAEL by Malachi.
2) I have loved you, saith the Lord. Yet ye (Israel) say, wherein hast thou loved us? Was not Esau (Edom) Jacob's brother? saith the Lord; yet I loved Jacob.
3) And I hated Esau, and laid his mountains and his heritage waste for the dragons of the wilderness.
4) Whereas Edom saith, we are impoverished, but we will return and rebuild the desolate places: thus saith the Lord of hosts, they (Edom) shall build, but I will throw down; and they (Israel) shall call them (Edom) the border of wickedness, and the people against whom the Lord hath indignation forever."

We can see from this passage, that God had laid Esau's mountain (nation) and heritage waste and had given the birthright to Jacob (Israel). But Esau rebelled against God and vowed to return to Palestine and rebuild. God's verdict is that He will allow the Edomites to rebuild for a season, but eventually He would "throw down" that which they have built.

A year or so ago, when I was in Canada, I saw a most interesting full page advertisement in a Canadian newspaper. It was signed by 27 orthodox Jewish rabbis from Canada and the United States. It was a warning in essence, to the Jewish people, that the Israelis now in Palestine, were not the true return to the Holy Land and that because they were trying to return through military force, God would destroy them. It was a warning to Jews, not to support false Israel in Palestine.

God has said that at the time when this destruction takes place, the Edomites (**JEWS**) would be known as "the border of wickedness," and would be called "the people against whom the Lord hath indignation (anger) forever." They would no longer be known as God's Chosen people, but as the accursed people of Edom, those who absolutely refuse to have the God of Jacob rule over them, those who hate the God who took the birthright from their father Esau, thousands of years ago. They will never forgive Jesus Christ for doing this to them, and they would rather die than acknowledge Him as their King. This is why Jesus told their leaders in Matthew 21:43, that the kingdom would be taken from them and given to another.

For a further understanding regarding the identity of that nation who was to inherit God's Kingdom, I would suggest reading **HEIRS OF THE PROMISE, ABRAHAM'S CHILDREN**, available from **LORD'S COVENANT CHURCH, America's Promise Ministries, P.O. Box 157, Sandpoint, Idaho 83864**

Another Old Testament prophet who speaks of Edom in the latter days is Ezekiel. Chapters 35 and 36 speak about the bloody characteristics of the Edomites (35:5, 6), their envy and hatred of Jacob for being chosen of God (35:5,11) and their burning desire to possess Palestine.

"Because thou (Edom) hast said, these two nations (Israel and Judah) and these two countries shall be mine, and we will possess it; whereas the Lord was there (35:10).

"Thus, saith the Lord: Because the enemy (Edom) hath said against you (Israel), Aha, even the ancient high places (centers of Baal worship) are ours in possession (36:2):

"Therefore thus saith the Lord God; surely in the fire of My jealousy have I spoken against the residue of the heathen, and against all Idumea (Edom), which have appointed My land into their possession with the joy of all their heart, with despiteful minds, to cast it out for a prey (36:5)."

Notice that Edom's motivation (36:2) in possessing Palestine, is not so that they may worship God, but that they may "possess the ancient high places," which were the hills on which the groves of Baal worship were located. These were the holy places of the Edomites and Canaanites, whose national religion was the worship of Baal. The Edomite Jews covet Palestine in order to repossess the ancient sites of their Baal worship. Do you remember how a few years ago, how Dr. Bailey Smith, President of the Southern Baptists said: "God does not hear the prayers of the Jew?" He was absolutely correct. It would be blasphemy for God to hear the unrepentant worshipers of Baal or any other false religion.

The book of Obediah deals entirely with this conflict between Jacob and Esau. Verses 18,19 and 21 conclude this book with the following proclamation by God Almighty **YAHWEH** Himself:

> 18) And the house of Jacob shall be a fire, and the house of Joseph a flame, and the house of Esau (Edom) for stubble; and they (Israel) shall kindle in them, and devour them (Edom); and there shall not be any remaining of the house of Esau; for the Lord hath spoken it.
>
> 19) And they of the south (Judah) shall possess the amount of Esau, and they of the plain (Israel) the Philistines; and they shall possess the fields of Ephraim, and the fields of Samaria: and Benjamin shall possess Gilead.
>
> 21) And saviors shall come up on mount Zion to judge the mount (nation) of Esau, and the kingdom shall be YAHWEH's (the Lord's)."

Thank God for this great promise, ye Israelites. For the evil designs of the Edomite Jews and their confederates of Gog, Magog and Togarmah, shall not succeed. Their bloody scheme for a world wide **RED** kingdom of Communism shall not prevail. The Messianic Age shall not be ruled by Esau's (Edom's) Messiah, but by that of Jacob, the Lord Jesus Christ, **YASHUAH** is His name. The great whore shall be exposed as the imposter and all the world shall recognize the true Bride of Christ, which shall be given her rightful place in the kingdom, for God has chosen her. **MARANATHA!**

**NOTICE:** The first part of this article was sent to me years ago by an anonymous author. I rather suspect it may have been written originally by Pastor Sheldon Emry, since it is certainly written in his style. I do not take credit for writing it.

The second part **WAS JESUS A JEW**? will be from the works of Nord Davis, Jr., with some ideas of my own added, as taken from his **STAR WARS 3.**

If you are interested in receiving the full set of the **STAR WARS** pamphlets, write to Nord Davis, Jr., P.O. Box 129, Topton, N.C. 27781. Much of this part of the article will be Nord's ideas, possibly paraphrased at times by my own. I have tried in every way possible, not to change his original ideas.

There is a common and false assumption going the rounds in Christian circles these days, that Jesus Christ, our Savior, was or is a Jew. Yet there are no scriptural references in either the Old or New Testament where He is called a Jew or identified as one. It is rather interesting to note, that while world Jewry on one hand calls Jesus Christ an illegitimate bastard, born to a Jewish prostitute named Mary and conceived during menstruation; on the other hand they want to recognize Him as one of them and use every method possible, to "brainwash" gullible Christians into accepting a bastard religion named Judeo-Christianity, which is supposed to be based on His and Jewish teachings. Yet, anyone who teaches that Jesus Christ, the Son of the ever living God, was a Jew, is either ignorant of the truth or an outright liar.

In many pictures of the crucifixion of Jesus, we find the four letter Latin word **INRI** inscribed on the cross, over Christ's head. To those who know Latin, this inscription spells out: "Jesus the Nazarene, Leader of the Judeans". To those who have been "brainwashed" by Jewish teachings, it is translated to mean "This is Jesus, the King of the Jews." Since Latin was the mother tongue of Pontius Pilate, the Roman governor who gave the order for Christ's crucifixion, he was certainly able to express himself in that language. Since the word **IUDEORUM** meant then as it does now **JUDEAN**, not **JEW** and the Latin word **REX** meant "to rule or lead", not **KING**. (It was not until the time of the Anglo-Saxon invasion of England, that the Latin word **REX** came to mean **KING**.)

There is absolutely no foundation, either in history of that time or in the Bible for the implication or innuendo, that the Latin word **IOUDAIOUS,** or the English word **JUDEAN** (properly translated)

had any religious connotation. Any honest Bible scholar should immediately recognize that this word has only a geographical, not a religious meaning. It would be like someone asking you: "What are you?" The chances are 100 to 1, that you would say: "I am an American." Probably the only person who would come up with a religious answer to this question would be a Jew.

What are the far-reaching consequences of the proper understanding of this word? Can you not see, for instance, that the Apostle Paul was a Benjamite by tribe, a Roman by birth, and a Judean by residence? He was not a Jew by religion, even though the King James Version say he was. It was utterly impossible, since there was no religion anywhere in the world at that time by the name of Judaism. Paul states that he had been a Pharisee in Philippians. But he was converted from that false Babylonian religion called Judaism, when he met Jesus on the road to Damascus, Acts 9.

One thing Christians need to understand, is that there is no difference between the Pharisee of Jesus time and the religion of the **TALMUDIC JEW** today. To insinuate that Jesus, the Son of God, was a Jew who practiced the occult religion of Judaism, would be to make Christ out as a sinner. Judaism was the false religion Christ denounced over and over again, and it was for the religious leaders of this religion, the Pharisees, that He had His harshest words.

On one occasion in John 5:46, where the Pharisees had been bragging how they followed the religion of Moses, our Lord dynamited their claims by stating: "If ye had believed Moses, you would have believed me, for he wrote of me."

There are subtle and underhand reasons why these **TALMUDIC ENEMIES** of Christianity would like Christians to believe that their Savior was a Pharisee Jew.

The famous Jewish Rabbi Louis Finkelstein, writing in his book, **THE PHARISEES, THE SOCIOLOGICAL BACKGROUND OF THE FAITH,** states in the foreword: ". . . Judaism .

Parseeism became Talmudism. Talmudism became Medieval Rabbinism, and Medieval Rabbinism became modern Rabbinism. But throughout all these changes in name... the spirit of the ancient Pharisees survived unaltered . . . From Palestine to Babylonia; from Babylonia to North Africa, Italy, Spain, France and Germany; from these to Poland, Russia and Eastern Europe generally, ancient Pharisaism has wandered . . . demonstrating the enduring importance which is attached to Pharaisaism as a religious movement."

So Christian, as you read your Bible, remember, wherever the English word **JEW** is used, it should rightly read JUDEAN, which refers to people from a certain geographical area, not a religion.

At the time of Christ, no religion known as Judaism existed anywhere in the world. The major religion of the **JUDEANS,** at this time was Phariseeism. It was based on a set of religious books known as the **BABYLONIAN TALMUD,** not the teachings of Moses and the Prophets as we have been led to believe.

Christ's primary mission on this earth at His first Advent is clearly stated over and over again. He came as a Kinsman Redeemer for His Kin, the "lost sheep of the house of Israel." (Matthew 15:24) Why do you not accept His words, rather than the false words written by a Christ-hating Jew?

Nowhere in the New Testament, is there any implication that Jesus came in a futile attempt to reform the heathen **BABYLONIAN** religion of Phariseeism. We should note, that by the time of Paul, most of the Israelite people living in Judea had been seduced by this false religion, which gave lip service to Moses and Moses' God, while following heathen teachings. They were seduced in the same manner that many Christians have been seduced in the Twentieth Century by Judeo-Christianity. Have you ever stopped to wonder why so many of the Sunday School lessons used in Protestant churches are written by Jews who hate Jesus Christ? Why would major denominations which goes by the name of Christian, allow this, unless they had been seduced by these Christ-haters. The Apostle Paul did battle with these Judaisers at every opportunity, just as Jesus had done before him.

While Christ came to seek and save the "lost sheep of the house of Israel," (the Greek word for

**LOST** is **APPOLUMI** which literally means: "those who were put away for punishment.") It has nothing whatsoever to do with unsaved Jews, as our preachers like to aver. Scripture is absolutely silent about any attempt on the part of Jesus to persuade any of the Pharisee stock to repent. When speaking to them and about them, He used the most denuncitory language possible.

An honest review of John, chapter eight, is in order at this point and with the use of a little common sense, you will readily understand why Judaism today, is doing everything possible, to get Christians to eliminate this Gospel from the New Testament.

Among Jesus words to the **EDOMITE TALMUDIC PHARISEES** are these - why not believe them, rather than the contradictions your pastor may use to excuse the Jews.

In John 8:44, He said: "Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning and abode not in the truth, because there is no truth in him. When he speaketh a lie he speaketh of his own: for he is a liar and the father of it."

John 8:47 - ". . . he that is of God heareth God's words; ye therefore hear them not, **BECAUSE YE ARE NOT OF GOD."** (Emphasis added.)

John 10:26 - "But ye (Pharisees) believe not **BECAUSE YE ARE NOT OF MY SHEEP . . ."** (Emphasis added.)

Matthew 3:7 (John the Baptist speaking to the Pharisees and Saducees at the River Jordan): ". . .O generation of vipers (poisonous snakes), who hath warned you to flee from the wrath to come?"

Matthew 10:17 - Jesus speaking to His disciples: "But beware of men; for they will deliver you up to the councils, and they will scourge you in their synagogues." (Christian, ask yourself this question: "Who is it that worships in synagogues?" There is only one people and they are Jews. Part of this prophecy is taking place in America at the present time, as the Judaizers are hauling Christians into court, delivering them up to the councils (grand Juries.)

Matthew 12:34 - (Jesus speaking to the Pharisees.) "O generation of vipers, how can ye being evil, speak good things? for out of the abundance of the heart the mouth speaketh."

Matthew 15:9 - (Jesus speaking to the Pharisees and quoting Isaiah 29:13) - "But in vain do they worship me (God), teaching for doctrines the commandments of men." (That, my friends, is what the **BABYLONIAN TALMUD** is; the teachings of the Rabbis, which conflict with the teachings of Moses and the Prophets.)

Matthew 23:-

> Vs. 13 - (Jesus speaking to the Pharisees): "Woe unto you scribes and Pharisees, hypocrites! for ye shut up the kingdom of heaven against men."
> Vs. 14 - "Woe unto you, scribes and Pharisees, hypocrites! for ye devour widows houses, and for pretense make long prayers."
> Vs. 15 - "Woe unto you, scribes and Pharisees, hypocrites! for ye compass (go over) sea and land to make one proselyte (convert), and when he is made, ye make him **TWO-FOLD MORE A CHILD OF HELL THAN YOURSELVES."** (Emphasis added.)
> Vs. 33 - "Ye serpents, ye generation of vipers, how can ye escape the damnation of hell?"

Then in verses 34 and 35, Jesus accuses these religionists, these **TALMUDIC PHARISEES,** of being guilty of ALL the righteous blood shed on earth, from the time Cain slew his brother Abel. Listen, Christian friend. That is your Savior who is making these accusations. Listen to Him!

Are you willing to risk the charge of being blasphemous, by telling me or anyone else, that you believe your Savior came from this devil's brood and this Satanic background?

If you believe that Jesus was a Jew, then you **MUST** accept what he said about them, and that would make your Savior out to be a murderer.

As we follow the trail of the **TALMUDIC PHARISEES** through Jesus expose of them in Matthew 23 and 24, we come to this interesting observation in Matthew 27:24, 25. This tells of the actions of the Roman governor, Pontius Pilate, who was not a Jew, or a member of the Sanhedrin. This Roman knew Jesus was an innocent man, he said so. He knew Jesus was innocent of wrongdoing, and in his anemic weak-kneed politicians way, he tried to save Him. But when he saw that the Jewish officials would not change their mind, and being "afraid of the Jews," he symbolically washed his hands of the affair, declaring: "I am innocent of the blood of this just person; see ye to it."

Note carefully how in verse 25 . . . Then answered ALL the people (Jews), and said, His blood be on us and on our children." (Today, the Jews are desperately trying to get this portion of scripture taken out of the New Testament. They are even getting some Christian traitors to say these words were never spoken, as indicated.)

Jesus had already said that these people were guilty, or responsible for all the innocent blood which had been shed on earth, now they were adding to the blood of the Son of God, to their list of crimes. Yet you still attempt to defend them!

Do you suppose, that Jesus Christ, who became a King at the moment of His resurrection, may one day grant the Jews their wish? Let me quote once more from Jesus' parable of the Nobleman, which we know referred to Himself: (Luke 19:27) -"But those mine enemies, which would not that I should reign over them, bring forth and **SLAY THEM BEFORE ME."** (Emphasis added.) Do you suppose that possibly this is 6ne reason God is allowing the Jews to once more gather in the land of Palestine? I believe it is very possible.

Anyone with any knowledge of history knows that the curse of Matthew 27:25 has followed the Jewish people wherever they have gone. It will follow them until He returns to make His final judgment on this wicked people.

The followers of this wretched religion we call **JUDAISM,** which Rabbi Finklestein insists is the religion of modern Jewry, is still responsible, not only for the righteous blood shed before Christ's time, and for His blood, but also for the blood of the millions of Christians who have been murdered by Jewish-Communism. While the so-called Jewish Holocaust is constantly being forced down our throats by the Jewish controlled media, and Christian money is pouring into Jewish coffers, why is it that we seldom if ever hear about this Christian holocaust which is a thousand times worse than anything the Jews have ever suffered?

Whenever you find wickedness in the Christian church, look for the influence of the **TALMUDIC PHARISEES**. When you see wickedness in national, moral, social, and economic affairs, look again for the influence and guiding hand of the **TALMUDISTS.** Don't label me with the tag of anti-Semitism for telling you the truth. **LOOK FOR YOURSELF!** You don't need a seminarian, or a preacher to stand by your shoulder and tell you what the Word of God says, or what the daily news means.

The average Christian, and the majority of Christian pastors, for that matter, have not the faintest idea of the contents of the Jewish religious book known as the **TALMUD.** They believe it is a book similar to our Bible, or possibly a Jewish Prayer Book. It is not! It is a set of 63 thick volumes, which cover twelve feet of bookshelf. The **TALMUD,** of which both Nord Davis and myself have read many portions, is so degrading that sample pages cannot be shown in a pamphlet such as this. (Here I am referring to the **BABYLONIAN TALMUD**, translated into English by Rabbi I. Epstein in 1935 and printed in London by the Soncino Press.)

Both the **SANHEDRIN AND KETHUBOTH** volumes of this satanic work have a preoccupation with sex which is sickening. It gives, for instance, the authorization to commit sodomy; sexual intercourse with a baby girl as long as she is under the age of three years and one day. The right of a Jewish mother to have sexual intercourse with her under-age son. The statement that when a man has intercourse with a baby girl: "Tears come to the eyes again and again, so does virginity come back to a little girl under the age of three years." (**KETHUBOTH**, 11a-11b.)

In an official statement made by Rabbi Morris N. Kertzner in **LOOK MAGAZINE,** June 17,1952, we read:

"The **TALMUD** is the legal code which forms the basis of the Jewish religious law and it is the textbook used in the training of Rabbis."

Have you ever wondered why Jewish comedians on stage and TV have such filthy mouths? **READ THE TALMUD!** Yet these are the same people that TV evangelists like Jerry Falwell and Jimmy Swaggart, call the Chosen People of God, the "Apple of His eye!" It is these Christ-haters they refer to when they claim to be **CHRISTIAN ZIONISTS.** Utter blasphemy!

In many of the larger city libraries you can find copies of **THE JEWISH ENCYCLOPAEDIA.** Look at Volume VIII, page 539 for instance. It is speaking about the **JEWISH DAY OF ATONEMENT**. (My how excited some Christians become when the Jews celebrate this day, some churches even toll their church bells to sound the **KOL NIDRE.** This is a traditional Jewish melody used at the start of **YOM KIPPUR.)**

While many preachers know the meaning of **KOL NIDRE**, I have known very few who had the courage to tell their people what it means. Jewish authorities states that it was added to the **TALMUD** around the 11th Century.

In English, it is known as the **ALL VOWS PRAYER** and is recited three times by the standing congregation in concert with the chanting Rabbis at the altar. Immediately following the recital of the **KOL NIDRE,** the religious ceremonies of the **DAY OF ATONEMENT** begin. This is the "Highest holy day" of the **TALMUDIC JEWS,** worldwide.

Here is an official translation of the **KOL NIDRE OATH:**

> "All vows, obligations, oaths, anathemas', whether called 'konam' or 'konas', or any other name which we may vow, or swear, or pledge, or whereby we may be bound from this **DAY of ATONEMENT** until the next, whose happy coming we await, we do repent. May they be deemed absolved, forgiven, annulled, and void, and made of none effect; they shall not bind us nor have power over us. The Vows shall not be reckoned vows; the Obligations shall not be obligations' nor the oaths be oaths." **(END OF KOL NIDRE OATH OR PRAYER.)**

This oath makes it possible for a **JEW** to make agreements, sign statements under oath, swear in court, and if he has been to the **KOL NIDRE** ceremony, at the beginning of the Jewish New Year, he is not obliged by his god (Not the God **YAHWEH** of Abraham) to keep his word or tell the truth. None of his vows or promises are valid, as long as he remembers **KOL NIDRE** when he gives them. This is fully explained in the **TALMUD,** the book of **NEDARIM**, 23a-23b.

Today, as we look at our American Government and judicial system, we will see an amazing number of Pharisee advisors in government, as lawyers, and judges. Was King David predicting the advent of this **KOL NIDRE OATH,** when he stated in Psalm 1:1 - "Blessed is the man who walketh not in the counsel of the ungodly?"

Those of you Christian readers who may one day soon undergo the honor of being investigated by an Edomite Pharisee, acting on behalf of the American government, might do well to ask in court, "on the record", if these persons have taken the **KOL NIDRE OATH.** If they admit to this, then their testimony should be stricken, all evidence they give and all allegations they make, dismissed on the basis of this oath. Christ has iold us that they are liars! (John 8:44)

It becomes quite obvious then, that any Christian who makes the foolish statement that "Jesus was a Jew", has never read the **TALMUD,** or even parts of it.

The Apostle John, on three different occasions, r~corded a particular phrase which this generation of modern Christians has almost totally ignored. When you find anything repeated three times in the Bible, it is probably of special significance.

John 7:13 - ". . . no man spoke openly **FOR FEAR OF THE JEWS."**

John 19:38 - ". - - after this (the crucifixion) Joseph of Arimathea, being a disciple of Jesus, but secretly **FOR FEAR OF THE JEWS** (Judeans), besought Pilate that he might take away the body of Jesus."

John 20:19 - "...Then the same day at evening, being the first day of the week, when the doors were shut where the disciples were assembled **FOR FEAR OF THE JEWS** (Judeans)."

First, when Christ began to preach; second after His crucifixion, and third after His resurrection, we find Christians acting out of instinctive fear of the **JEWS** (Judeans?) Why? Because both Christ and His disciples knew the intrinsic character of the Edmonite Pharisees Just a few short years before this, their King, Herod the Edomite, had murdered thousands of Israelite baby boys in a vain attempt to kill the baby Jesus. They knew the danger they were in from this religious band of Judean hoodlums, who said they were of **JUDAH,** but who according to our risen Lord, were "of the synagogue of Satan," (Rev. 2:9; 3:9). They knew they were up against the most accomplished murderers and assassins in the world's history, those who had murdered their own prophets and who down through history were to kill millions of Christians. These are the same people who today, through their **ANTI DEFAMATION LEAGUE,** are trying to do away with Christians and Christianity in America. They have openly bragged of this.

Jesus Christ, the Son of God, the Word from the beginning, the Creator of the universe was murdered by these Edomites on false testimony, (see Matthew 26:59-62; Mark 14:56, 57).

When Jesus died on Mt. Calvary, the second prophesy of Genesis 3:15 came to pass, as the Seed of the Serpent (see John 8:44), bruised the Christ's heel. The "bruising of the serpent's head" is still in the future, but it will come to pass, and I pray that I will still be here to see and take part in that great event. God willing!

It is interesting to note how in the Matthew 27:54 account of the crucifixion, the Roman centurion who was in charge of the execution, a grizzled old veteran of many of Rome's wars, when he saw the events unfolding around the execution of this just man, was afraid and publicly admitted: "Truly, this man was the Son of God."

On the other hand, the Talmudic Pharisees, who were responsible for His murder mocked Him as they said: "Thou that destroyest the temple, and buildest it in three days, save thyself, if thou be the Son of God, come down from the cross." Likewise, the JUDEAN officials, the scribes and the Chief Priests said: "He saved others; Himself He cannot save. If He be the King of Israel, let Him come down from the cross, and we will believe Him."

A heathen Roman had more sense at this time than all the Judaic leaders. He knew Jesus was the Christ and I truly believe at this moment he was saved.

Valuable lessons may be learned once Christians grasp the concept that ALL the righteous blood shed since the time of Cain, can be laid at the door of the Pharisees and their children.

Directly, or indirectly, the Holocausts which have taken place in the Christian world, and their have been many, far exceeding anything done to the Jews during WWI I. By studying from Jewish sources, one can see that the so-called Jewish Holocaust of WWII was generated by one class of Jews against another, which resulted in the killing off of millions of the "seed of the woman." (For further confirmation on this, I suggest you read Mr. Davis', **STAR WARS #2.)**

Today, many Bible scholars lay the blame for the inhuman cruelties of the Spanish Inquisition at the door of the Spanish Catholic Church. It is true, that Protestantism was almost wiped out in Spain during this terrible period. But the Inquisition was not begun against Protestant Christians, but

against a class of Jews called **MARRANOS.** These were Jews who had infiltered the Catholic church under the guise of conversion. Men like Jack Chick, insist that the Great Whore of Babylon took over control of the Catholic Church and from that time on, Christianity in that church took on the trappings of the heathen among whom they lived. He is very careful however, as are other Bible scholars, never to mention the fact that the Main Inquisitor during this period, a man named **TORQUEMADA,** was a leading Spanish Jew who supposedly converted to Catholicism. The peribd prior to the Inquitision, was a Golden Age of Jewry in Spain, as they took over Church and State, financially, educationally and ecclesiastically. The Inquisition was begun as a means of cleansing the Catholic church from this Jewish influence. (For confirmation of this from a Jewish source, read Cecil Roth's book **MARRANOS,** Jewish Publishing Society of America.)

It is no coincidence, that of all the ancient enemies of Israel, the name Babylon is reserved for the "end time." There are many heads and horns to Babylon, but its connection in these days comes through its **TALMUDIC-PHARISEEISM**. Those Christians who love to parrot the phrase, **JESUS WAS A JEW!** have one thing in common, they have never read the **TALMUD!**

In his two volume book, **HOUSE OF NASI,** the Jewish author Cecil Roth makes an interesting comparison between the activities of his Talmudic forefathers and what happened with the Orthodox Jews in Hitler Germany. His historic account matches that of Edwin Black, another Jew in his book **THE TRANSFER AGREEMENT,** The Untold Story of the Secret Pact between the Third Reich and Jewish Palestine, (Macmillian Publishing Co., N.Y. 1984). Mr. Black who is the son of a Jewish survivor from Germany, tells about the two classes of Jews who existed in prewar Germany. The German Jews who called themselves **HOFJUDEN,** "courtly Jews," while the Polish and Russian Jews were referred to as "those miserable darkened Hebrews." Black claims that the American Jews considered themselves to be **HOFJUDEN** and this was the reason they had little concern for the Polish and Russian Jews (Is it possible that anti-Semitism can be found among the Jewish people?)

Hitler had little love for "those miserable darkened Hebrews," from Poland and Russia, but he could never have come into power without the aid of the **HOFJUDEN.**

The Jewish persecution of Christians is clearly pictured in the New Testament and in early Christian history. In Acts 12:1-3, we read how King Herod, "Vexed certain of the church. And killed James the brother of John with the sword (notice carefully now). And because he saw **IT PLEASED THE JEWS,** he proceeded further to take Peter also."

This Jewish persecution spread wherever the church went. The terrible persecution by the Roman Emperor Nero was encouraged by his Jewish wife, according to historians of that time.

Peter, in 1 Peter 4:12,13 addressed a message of comfort to the suffering Christian of his time when he said: "Beloved, think it not strange concerning the fiery trial which is to try you, as though some strange thing happened unto you: But rejoice, inasmuch as you are partakers of Christ's sufferings: that, when His glory shall be revealed, ye may be glad with exceeding joy." Paul echoes this in Romans 8:17 - ". .. if so be we suffer with Him, that we may be glorified together."

Following the Jewish persecution of the First Century, which has actually never ended, the fury of pagan persecution fell on the church as they refused to give "licit" to Caesar. This means they refused to put Caesar first. Like in Russia today, men and women were free in Rome to worship any God they choose, as long as they were willing to put Caesar first. The Christian church refused to do this and became known as "religio iliciti", or an "illegal religion."

But the record of torture and persecution, down through the ages, always had an undertone of Jewish connection.

While millions of Christians died, often at the hands of other Christians (?) during the Dark Ages, many millions more have died in modern times through the Jewish persecution of **ZIONIST COMMUNISM.** Yet, strangely enough, it is only the Jewish Holocaust which is mentioned by our

media.

Christian people, especially Patriotic Christians can expect another wave of final, bitter persecution before Jesus returns, at the hands of the Jews. I believe it has already started in America. This will be the persecution spoken of in Rev. 6:11 - "They (the dead Christian martyrs) should rest for a little season, until their brethren, that should be killed as they were, should be fulfilled." Yet, how can this happen, if the Church is raptured out of the midst of this trouble, as men such as Falwell and Swaggart preach.

The period of intense evangelism we saw at the end of World War I, also brought a Zionist conspiracy to the war weary world called Communism. It rose in Russia, a brainchild of worldwide Zionism, supported by their money, with Jewish leaders in the prominence. It engulfed a third of the world in less than seventy years and killed and tortured more Christians in that period, than had been killed in all the 1900 years that preceded it.

Now the "little season" of Revelation 6:11 is almost at an end. The Age of the Martyrs, which began with the Jewish stoning to death of Stephen in Acts 7, is coming to its final, gory termination.

After many years of trial and persecution, the church, made up for the most part of saved Israelites (not Jews), entered a period of world-wide evangelistic effort that carried the Gospel of personal salvation to the ends of the earth.

The days of persecution and evangelism were closely interwoven and an early church father, Terrulian spoke prophetic words when he said: "The blood of the martyrs is the seed of the church."

Today, as never before in history, the descendants of Esau are determined to have their way. They will fight against God, in their effort to prove to the world that they are the Chosen people, who own the lands of old Palestine. At the present time they seem to be prospering beyond all reason; this is why some believe their story, for they say God is blessing them. But God does not balance His books at the end of every year, and we know, from the scriptures, that this time of Jewish rule will be brief, if bloody and that our God, Jesus the Christ, **YASHUAH,** will be triumphant and will take His place on the throne of David, as King of Kings and Lord of Lords. Nevertheless come quickly, Lord Jesus! **MARANATHA!!!**
